The Announcement

Never before have there been sold so many high class herd bull prospects in a consignment sale in Iowa as will go into the ring at this auction. It is safe to predict that there will not be a better opportunity to get real good, herd heading bulls at any other sale this winter and spring. These forty-nine bulls have been selected with great care. All are of the highest class, best quality and with most impressive pedigrees.

Any number of these bulls will win at the Nation's biggest shows in 1935 if fitted for that purpose and that means that they are of the best type with which to breed herd improving offspring.

The females, listed herein, are not numerous but they are of the highest quality and of the best breeding. They are the best kind of foundation stock for breed building and, like the bulls, they are bred from the breed's best seed stock.

For years we have been talking about the rise in prices that is "just around the corner." That corner has been reached and passed. The rise in prices is here. The pendulum is swinging upward and it will not change its course for years to come. No one can lose by buying on a rising market. So buyers at this sale, where the best is offered for purchase, will profit to an extraordinary degree.

Persons who wish to buy at this sale but who cannot be present on sale day may send bids to any of the consignors, to the auctioneers or to the sale manager. Such bids will be handled in the interests of the buyer. Mail sent to consignors or officers of the sale, to arrive on sale day or the day previous, should be sent in care of Will Johnson, Hotel Willson, Webster City, Iowa.

Terms and Conditions

LOCATION—The sale will be held in the heated sale pavilion at the Fair Grounds at WEBSTER CITY, IOWA, on Thursday, February 14, 1935. Webster City is on the paved U. S. Highway No. 20, twenty-one miles East of Fort Dodge and seventy-six miles West of Waterloo. Intersecting roads make it easy of access by paved highways from all parts of Iowa and adjoining States. Also it is on the Illinois Central and Chicago and Northwestern Railroads.

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot. Neither the sale manager nor the clerk of the sale assumes any liability, legal or otherwise.

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

Where footnotes appear in this catalog, they were furnished by the consignors or written from information supplied by the consignors.

BIDS—Those wishing to buy who cannot be present may leave with, or send their bids to the sale manager, Will Johnson of the Shorthorn World; to J. E. Halsey of Wallaces' Farmer, Frank Richards of the Cornbelt Dailies, or to any of the consignors.

The rise in prices of pure bred cattle has come but pure bred Shorthorns are still the corn-belt farmers best asset. Buy these choice breeding units before the price gets above that of a safe conservative investment. In a short time cattle such as these will be selling at double the prices of this sale. Buy now and be ready to sell them.
